ABAC
AIR COMPRESSORS

PRO Series

Cast-iron piston compressor range

Air. Anytime. Anywhere.

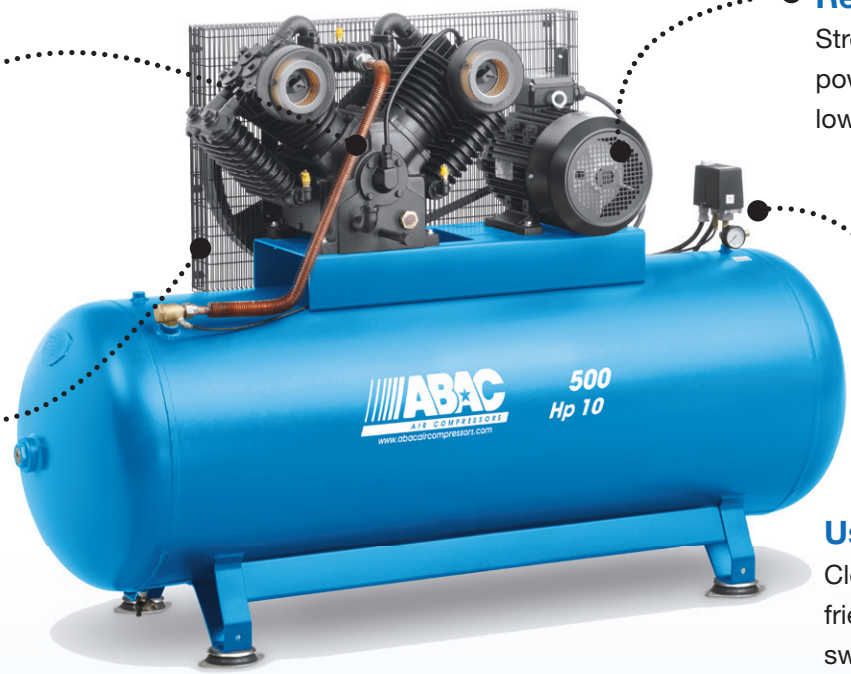

PRO Cast-iron
Two stage belt driven piston compressors

Piston compressors with fully cast iron blocks: a reliable and robust range, built with top quality components. The pumps are running at low speed, to guarantee lower noise levels and extended lifetimes, but they still guarantee a great performance, and they are perfectly suitable for the more demanding and intensive applications.

Benefits & features

Robustness
Strong cast iron components.

Reliability
Strong reliable power: Low speed, low wear.

Safety
Metal belt guard for safe and robust protection.

User comfort
Clear and user-friendly pressure switch and gauge.
